9.02 Grievance Procedure

Step 1:

The employee or the Union shall reduce the grievance to writing, sign and file it within fourteen (14) calendar days of the occurrence which gave rise to the grievance, or within fourteen (14) calendar days of when the employee/the Union knew or should have known of the occurrence, whichever last occurs.

- B. The remedy requested.

The Union shall have no obligation or right to process a grievance filed directly with the Fire Chief, but shall be notified of the Step 3(a) grievance meeting and arbitration, if any, involving a direct filed grievance.

Step 2:

The Union Grievance Committee, upon receiving a written and signed grievance not filed directly with the Fire Chief under Step 1, shall determine validity of the grievance. If the Union Grievance Committee determines there is no validity to the grievance, no further action is necessary, and the grievance shall not be subject to resolution under this contract.

Step 3:

A. For grievances filed by employees directly with the Fire Chief

The Fire Chief or designee shall meet with the grievant to discuss and attempt to resolve the grievance within fourteen (14) calendar days after the grievance is filed with the Fire Chief.

Step 4:

Within twenty-one (21) calendar days after the Fire Chief's decision in Step 3(c); if the grievance has not been settled, the Union or the employee shall submit the grievance to the Board of Fire Commissioners ("BOFC") for review at their next regularly scheduled meeting. The BOFC shall render a decision or decide to waive review no later than at its next regularly scheduled meeting. Failure to make a decision shall be deemed a waiver. The arbitrator selected shall decide the dispute and such decision shall be final and binding on the parties and the employees. - B. The arbitrator shall issue the award within thirty (30) calendar days after the hearing.

9.05 Time Limits

The time limits set forth are to be considered of the essence of the grievance and arbitration procedure, and failure of the employee or the Union to meet any time limit set forth therein shall, unless the parties by mutual agreement have extended a time limit, constitute waiver of the grievance and acceptance of the District's position.

9.06 Grievances by Non-Union Member

When the Union refuses to process a grievance for an employee because of the employee's non-membership in the Union, if by law the employee has the right to process his/her grievance under this Agreement, the employee shall assume all the burdens, limitations and obligations, including financial obligations, of the Union under this Article and any other Article that may apply to the grievance.

9.07 General

The filing of a grievance shall in no way interfere with the right of the District to carry out its management responsibilities, subject to the final resolution of the grievance.
